REPORT

OF

COUNTY COMMISSIONERS, SUPERINTENDENT OF THE
COUNTY FARM, CLERK OF THE SUPERIOR
COURT, SHERIFF, JAILER, COUNTY
TREASURER, AUDITORS

COMMISSIONERS' REPORT

To the Citizens of Hillsborough County:

The Board of Commissioners herein submit an account of their stewardship as your servants for the year ending December 31st, 1927. We trust that the faithful performance of their duties will meet with your approval.

With the improvements that have been made during the past year the property at the County Farm is in good condition. There has been installed one new boiler so that we now have three boilers in fine condition, new floors laid in many departments, and the slate roofs have been repaired and put in good shape.

The general health of the inmates is normal and no epidemic has raged during the year.

The County Farm has continued under the supervision of B. P. Newton as Superintendent and Mrs. Newton as Matron and John L. Wentworth, Assistant Superintendent.

The Hospital has served a greater number of citizens of the County than ever before, and better by reason of equipment. Miss Addie Moore as Superintendent, Mrs. Jessie B. Corey as assistant, have continued to serve the County the past year, and with an able corps of nurses in charge of George V. Fiske, M. D., assisted by an efficient staff of thirty-eight of the leading physicians and surgeons of the County.

To these physicians every citizen of the County is indebted for making it possible for the needy to have the best that can be given by the profession.

By vote of the Hillsborough County delegation a bond issue of \$65,000 was granted for additions to the Hospital and three wings have been completed, one for nurses' quarters and one each for male and female patients. The same are now occupied and very much appreciated.

At the Nashua Court House much needed repairs have been made and new boilers installed.

At the Manchester Court House thorough repairs have been made inside and outside, consisting of repairs on walls and woodwork, painting outside, and repairs to the roof.

The Jail continues under the management of Sheriff John T. O'Dowd and Mrs. O'Dowd and has been well cared for by them.

The general industrial conditions of the County have been such as to cause many calls for assistance from those who have no employment and are unable to secure the same. The care and support of children continues to cause a call for large amounts of the funds of the County.

Notwithstanding the many calls for assistance, with care the Commissioners have closed the accounts for the year with a surplus of the amount that was allowed for expenses for the year.

We cordially invite all persons interested to visit the institution and see for themselves the conditions there and the work that is being done.

We extend our sincere thanks to the Selectmen, Overseers of Poor, State officials, and all others who have assisted us in our duties.

On December 10th we were notified of the death of our associate, County Commissioner James E. Colburn. He was a man of business ability, a man thoroughly imbued with the best interests of the County and its institutions, and a willing worker in the interests of all that pertained

to his duties as County Commissioner. We, his associates, with all others of his acquaintance, mourn his loss.

On December 26th Edward H. Labine, having been appointed by the Superior Court to fill the vacancy, entered upon the duties of the office.

Respectfully submitted,

ALBERT T. BARR,
AUGUSTA PILLSBURY,
County Commissioners.

SUPERINTENDENT'S REPORT

*To the Honorable Board of Commissioners of the County
of Hillsborough:*

GENTLEMEN:

I submit the following report for the year 1927:

The usual routine and morale of the Institution has been maintained throughout the year. No serious sickness has occurred, or epidemic happened among the inmates or children.

As per the vote of the delegation and the appropriations for the same, the new addition to the Hospital has been completed and is in use. The new boiler at the heating plant has been installed and the boiler house made fire-proof. The appropriation for the boiler house was \$1,000. It was found necessary, however, to expend only \$30 to do the required work. We now have three good 125 horse-power boilers all in good settings and in good working order. More coils and radiators have been added to the heating system, and as a whole the entire system is in good condition.

The entire hot water system at the Hospital has been renewed with brass, replacing the old galvanized pipe which was rusted out.

The ice house has been repaired, a new refrigerator has been built. The root cellar has been renovated and a cement floor put in. New cement walks have been put in several places. New basement windows and frames have replaced old ones, which were rotted out. Stone steps in the children's yard have been moved out, giving more room for the children on the piazza. Swings have been provided for the children in the yard. Casters have been put on all

beds throughout the institution and many feet of new flooring laid.

These repairs would have cost many dollars if let to Contractors, but out side of the new boiler all the labor was performed by our own men. The slate roofs have been thoroughly repaired by experienced men.

Our herd of cows is in good condition and we have now an accredited herd, having passed three clean tests. There are twenty-five young heifers coming along to replace the old cows. The pigs are in a good healthy condition.

Fifty young apple trees were set out last spring.

Many churches and societies have given aid in the way of entertainment and gifts for the inmates and children. We are grateful to the W. C. T. U., Fireside Forum, Weare Band, 172nd Artillery Band, Choir of Hillsborough Methodist Church, the Choir of the Baptist Church of Grasmere. The good which these little kindnesses do cannot be expressed in words.

I wish to thank the Chaplains, Doctors and all of the Officers for their efficient work throughout the year. There has been splendid co-operation with all of them, and it has been a pleasure to carry on the work of the institution.

I wish to express thanks and appreciation to the Honorable Board of Commissioners for their loyal support and timely advice.

Respectfully,

BRAINARD P. NEWTON,
Superintendent.

HILLSBORO COUNTY GENERAL HOSPITAL

Report of the Training School

To the Honorable Board of County Commissioners:

We herewith present a report of the training school for the year 1927:

Number of pupil nurses	26
Number of nurses graduated	1
Number of nurses admitted to the training school	10

The enlarged capacity of the hospital has made it necessary to increase the number of nurses in the school. The new rooms added to the nurses quarters are much appreciated.

We wish especially to thank the different church organizations who have conducted services at the hospital, also the Sweeney Post Auxiliary and others who have shown us many acts of kindness.

The unfailing support and co-operation of the Commissioners and the staff has been a great source of help to us at all times.

Respectfully submitted,

ADDIE M. MOORE, R. N.

CHAPLAIN'S REPORT

To the Honorable Board of Commissioners of Hillsborough County:

GENTLEMEN:

In compliance with an established custom, at the same time, regarding it a privilege; I here give a brief report of my year's work as Chaplain of Hillsborough County Farm, for the past year:

It has been our privilege to visit the sick, both at the Farm, and County Hospital, and minister to the Spiritual needs of many, both in private, and in our public Sunday afternoon services, which have been held twice each month with a good attendance.

Among whom are several different shades of religious conditions, but all are welcome as our services are Christian, and not Sectarian. I would not fail to mention the very helpful musical service rendered by Mr. and Mrs. Newton.

Respectfully submitted,

G. H. NICKERSON,
Chaplain.

To the Board of Commissioners of Hillsborough County:
HONORABLE COMMISSIONERS:

It is gratifying for any one connected with a public institution not to find, as one looks back, on the year gone by, cause for complaint and criticism. Better acquainted with the officials and the varied activities of the County Institutions, I still have not an iota to change in my apparently glowing report of last year: Same cheerful co-operation, good fellowship, and sincere desire to help all around.

Thanks to the mutual good will between the Catholic

Diocesan authorities and the honorable Board of Commissioners, a number of children were advantageously placed in an orphanage and I am personally grateful to Mrs. Pillsbury who, in these and other negotiations, so ably represented the Board.

The valuable assurance which the Hospital, with its new equipment and under capable management, is rendering to the needy, has pressed itself forcibly upon me during my almost daily visits and I venture to add that it is second to none in the state.

One last word of grateful memory to the Honorable Commissioner from Nashua and to Mrs. May Cole, who have left lasting regrets with those who came in contact with them.

With the assurance of my highest consideration, I am,

Very Sincerely Yours,

EDMOND M. TOTAL,
Chaplain.

March 1st, 1928

REPORT OF COUNTY PHYSICIANS

To the Honorable Board of County Commissioners of Hillsborough County:

During the past year there have been admitted to the Institution 559 cases. During the same period there was discharged from the Institution 533 patients.

The smallest number of patients in the Hospital on any one day was 62 and the largest number 94. There were 30,412 Hospital days treatment administered during the year. There was a daily average of 80 plus, covering this period.

The number of patients in the Hospital January 1, 1927, was 77 and on January 1, 1928 there was 74.

There have been twelve staff meetings in which the attendance was very large. At these meetings the records of patients in the Hospital and those deceased are very thoroughly discussed by members of the staff, thereby assuring the patients under treatment of the best possible care. This is an important feature of the monthly meetings and is one of the requirements of the College of Surgeons of the United States, in a Standardized Hospital.

Many guests of Physicians have been entertained as well as the attendance of the County Commissioners at these meetings.

There has been 2,574 calls made by Physicians to the Institution in the past year.

There has been a marked improvement in the care given to the patients in the past year. This has been largely due to the increased force of nurses which has been added to the organization.

Further improvements are to be made along this line during the coming year.

We have the facilities, and the indigent of the County should not refuse the opportunity to use the Tuberculosis department more than at the present time.

Excepting this department the Institution is used to its full capacity.

The chronic department supplies forty rooms for males and females, these are full all the time and there is a waiting list.

The Institution feels at this time very keenly the loss of Mrs. Floyd Cole, who has been a very able manager in this department since its opening.

Improvements in the past year have taken place under her supervision and the patients have received the best care and treatment possible.

Through the appropriation of the last legislature we have dedicated two wings and a nurses quarters during the past year. To care for the number of patients a nursing force of about thirty-five must be maintained.

With the new quarters we are supplied with twenty-two rooms with reception room for the facilities of the nurses, this will solve the problem of care for the sick in the Hospital.

The east wing is devoted to the Women's department. In this wing is a modern delivery room, toilet, wash room for babies, and eight rooms for mothers. This department is modern in every way and is greatly appreciated by the Institution.

Above the Maternity department are nine private rooms which relieve the congestion of the main Hospital.

The west wing is used for men and it has 17 private rooms which are greatly appreciated in caring for the particularly hard cases which come to the Institution.

The co-operation of the staff and the high standards maintained by it has reflected itself in the better care accorded the indigent of the County, in the past year.

Very respectfully submitted,

GEORGE V. FISKE, M. D.

Chief of Staff.
